Entertainment for the little 'uns

We have hired a 'play trailer' suitable for 1-11 year olds to play in. It includes a ball pool, slides, a swinging rope bridge, multi coloured rollers to squeeze through, foam stairs and swinging bags.

There will be a small charge for the use of play facilities but children can then have unlimited use of these facilities all day.

ACCOMMODATION:

If you require hotel/b@b accommodation for the 12 bell then the following websites may be useful.

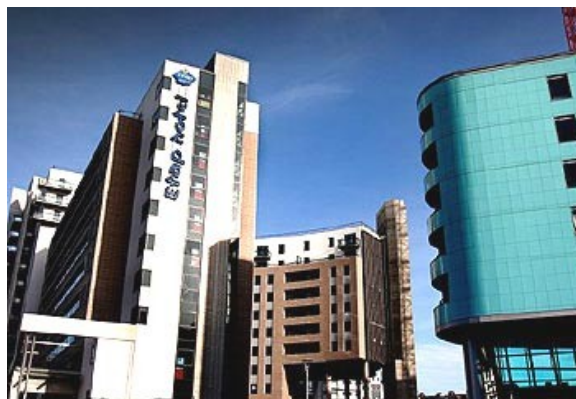

<http://www.openroads.com/leeds-hotels>

<http://www.leedsliveitloveit.com/visitors/accommodation>

<http://www.yorkshire.com/accommodation>

(might be a good one if you want to stay near Leeds but not in the centre of the city)

Please note the ETAP hotel (which can be found in the last link) is the hotel just over the road from Leeds Parish Church. It is fairly cheap and does what it says on the tin. However, if you stop there, please be aware there is no parking facility available.

PARKING

On the next page is a parking map of Leeds, this can also be accessed, along with further information about parking, on the following website:

www.leeds.gov.uk/Page.aspx?pageIdentifier=fa6c992d-8272-40eb-97e8-7e67122bb02e

Click on the city centre parking map link on the right hand side of the page.

**THERE IS ABSOLUTELY NO PARKING
AVAILABLE AT THE CHURCH.**

There is a pay and display car park next to The Palace pub but that is usually full with etap customers and is not cheap!

Other alternatives include parking in the suburbs and getting a bus into the city centre. On most main routes there are buses into the centre every 10 mins or so. Be careful you don't park in a residential area that is permit holders only—traffic wardens in Leeds are very enthusiastic!
