

### **Cripplegate and Holborn arrangements**

Because of the proximity of the towers, the hosts (ASCY at Cripplegate and St Paul's Guild at Holborn) will combine forces for the day.

### **Catering**

There will be one headquarters pub open from 1130 to 1800, after which it closes for another private event. The Butcher's Hook and Cleaver is a 3 minute walk from Holborn and 10 minutes from Cripplegate with food available. Supervised children will be welcome. It won't be possible to have refreshments in either church, but a list of local cafes will be made available nearer the time for those who need sustenance before the draw.

### **Draw & Results**

The draw for each eliminator will take place in each church at 1100. The combined results, however, will take place in the Butcher's Hook and Cleaver as soon as both sets of judges are ready.

### **Travel & Parking**

You are advised in the strongest possible terms to avoid driving into London. If you have no alternative, there is an NCP Car Park right outside the Butcher's Hook and Cleaver (Smithfield Central Market NCP, EC1A 9DS), where the rate is £2 per hour.
