

Portsmouth

Full details for people planning on attending, along with other useful information, will be available in due course at <https://www.portsmouthcathedralbells.co.uk/>

Refreshments

A variety of refreshments will be available during the day. From 10am we will be serving breakfast baps (bacon, sausage, a vegetarian option), along with teas & coffees, in Cathedral House across the road from the main cathedral building.

After the draw we will continue to serve breakfast baps until midday. Additionally we will have other food options on for the afternoon, including cakes and possibly both sweet and savoury pancakes.

We will have a bar serving in the main nave of the Cathedral from midday (wristbands service only). This will include ales from a local brewery, along with other alcoholic and non-alcoholic options. The bar will be cash only.

There are also multiple pubs within walking distance.
